

Login Process for Migrated VCMS

As a part of technology enhancement, we have migrated Vendor Call Management System (VCMS) to a higher version.

This document will mention the procedure for users to login into the migrated system.

1) New Login Page

User will see a new login page when they will open VCMS in browser.

Select the credentials you want to use to logon to this SharePoint site:

[Sign In](#)

[Forgot Password](#)

[Vendor Registration](#)

User friendly web based tool for enabling faster transaction/information sharing amongst all stakeholders.

Enables Email/SMS alerts, leading to faster decision making.

Key business differentiator.

Real-time performance evaluation tool.

Repository of quality data for rational decision making.

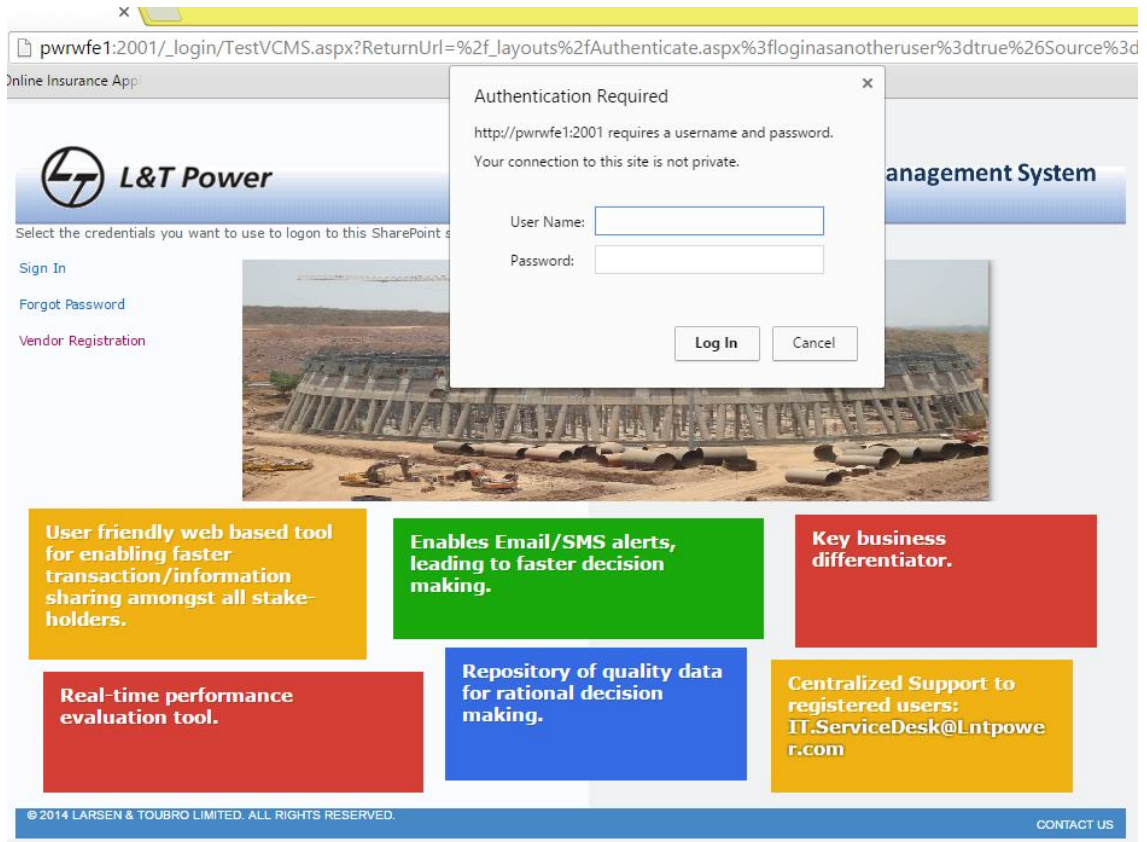

**Centralized Support to registered users:
IT.ServiceDesk@Lntpower.com**

© 2014 LARSEN & TOUBRO LIMITED. ALL RIGHTS RESERVED. [CONTACT US](#)

Click on Sign In link from the left side navigation.
Pop up will appear to enter User Name and Password.

L&T Employees – Enter PS Number and Windows Password.

Vendor/ TPIA – Enter username as LTP\username and Password.

If authenticated, you will be directed to VCMS Home Page as below: -

Rest other functionalities remains same.

To troubleshoot login issues like:

- a) blank page coming when login button is clicked
- b) site getting redirected to Google
- c) error message is coming

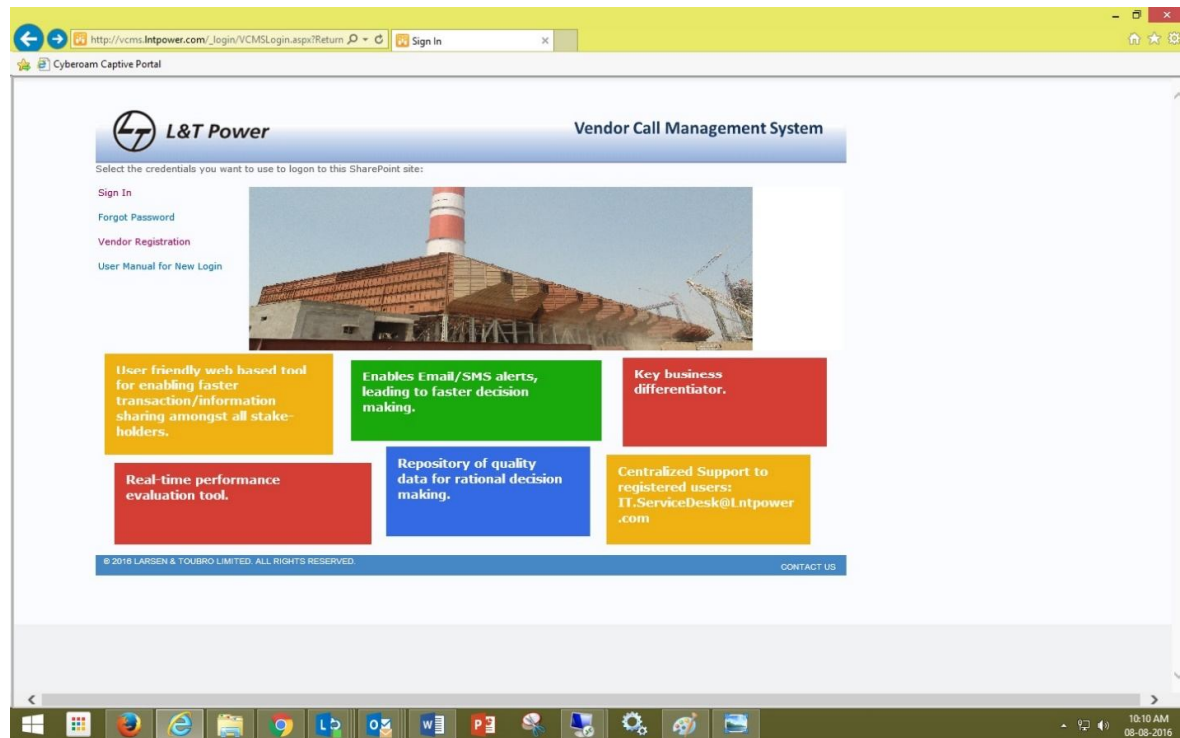

Please follow the below mentioned steps:

Step 1: Clear browsing History (Please read further for steps to delete history on Chrome, Internet Explorer and Mozilla Firefox).

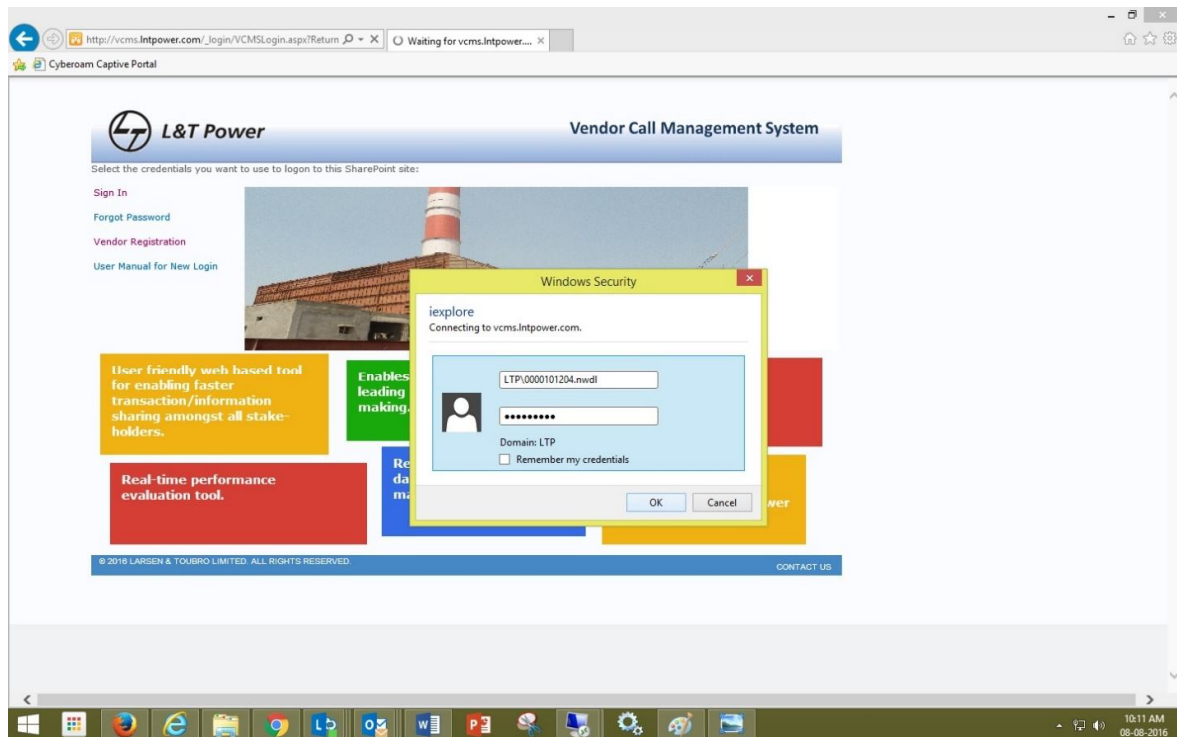

Step 2: Login as different user in browser (Please read further for steps to login as different user on Chrome, Internet Explorer and Mozilla Firefox).

Step 3: Copy this URL <http://vcms.lntpower.com> or press ctrl and click on the link directly.

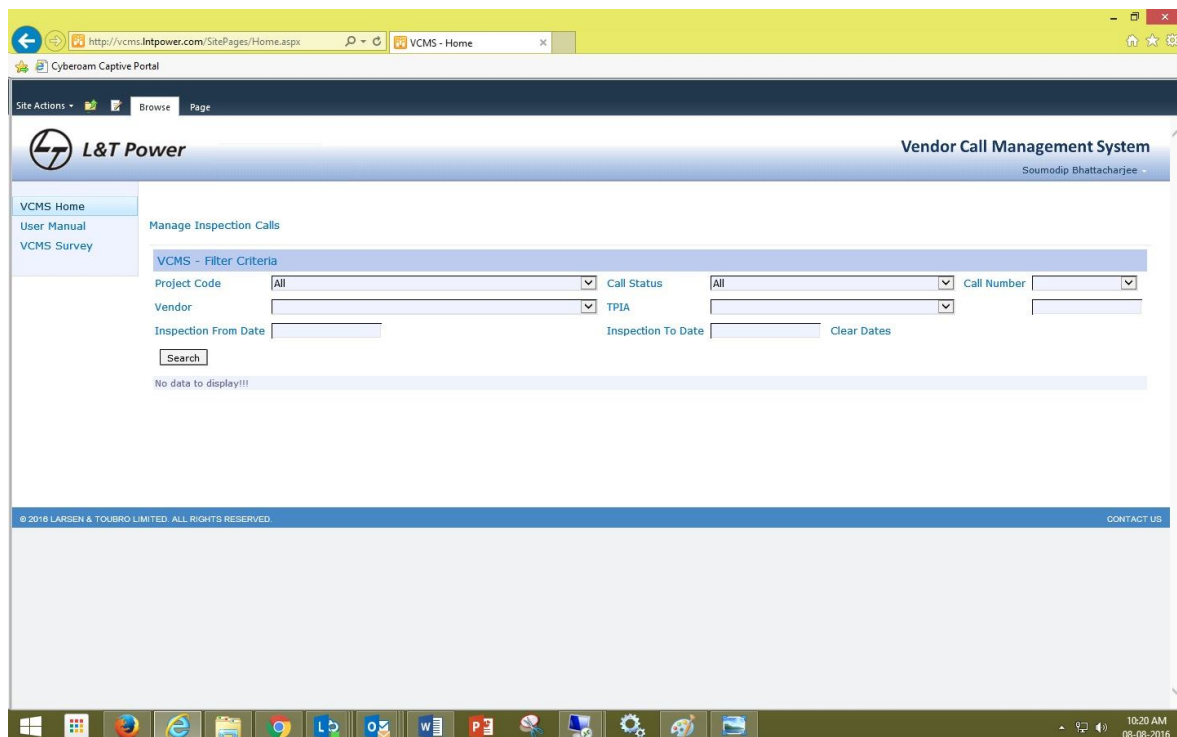

Step 4: Click on "Sign in"

Step 5: Enter user ID and password (Add LTP\ in front of your user ID. Ex: LTP\userID)

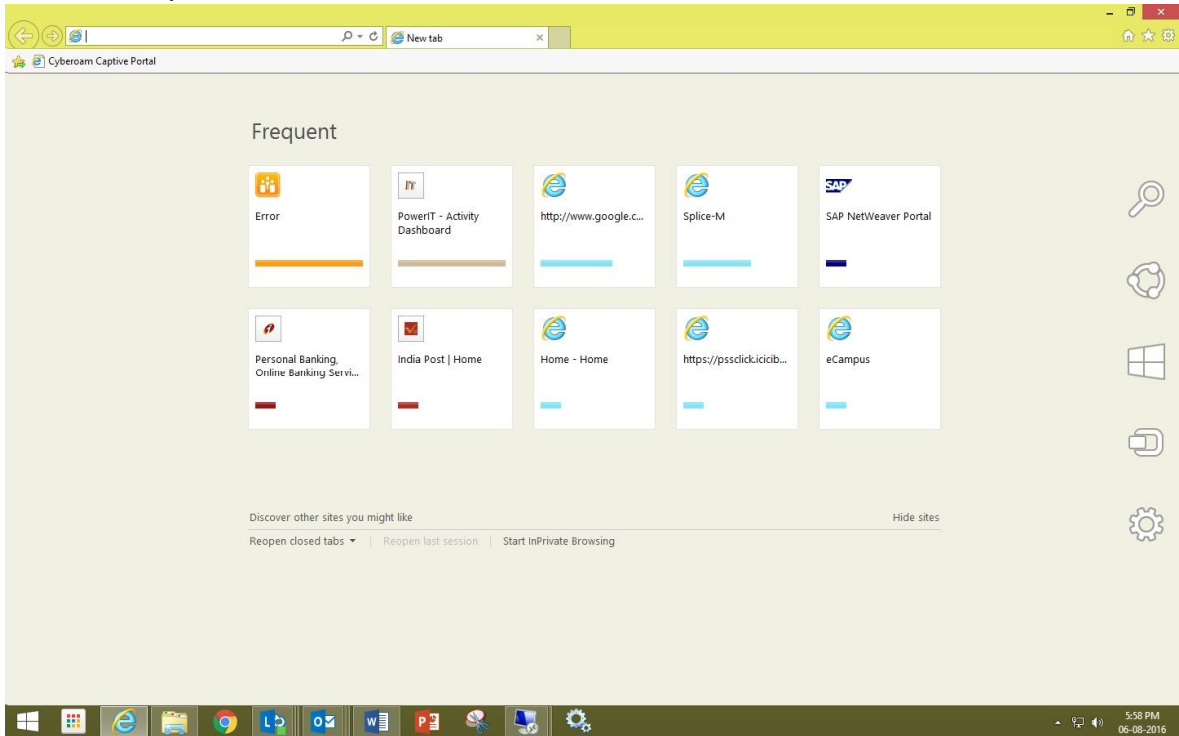

Step 6: User will be successfully logged in to VCMS
